

To whom it may concern

## **CONIC CIVIL ENGINEERS**

Ferdinand and the Conic team, is a team you can trust, being part of various projects that we have undertaken, Conic has made it simple, and a pleasure to work with.

Any challenges with construction companies were handled professionally, on time and extremely thoroughly.

I recommend them as Consulting Engineers, Civil Engineers and Project Managers, and we describe them as; Professional, a Team with Integrity and Value driven to make your projects a success.

Yours sincerely
